SMART CRM

Every agent is given their own unique lead generation website and CRM through KvCore. This allows you to send campaigns to your clients, generate leads online and much more.

Picking up new clients and keeping in touch with your current clients is vital, and that's exactly what KvCore allows you to do!

Normally this would cost you \$700 a month - this is provided at no cost for our agents!

BROKERBUCK

CONGRATS YOU'VE EARNED
10,000
IN OWNERSHIP UNITS

Production - Your current sales productivity

\$955,425.78 Total volume of closed transaction for this month.	3 Total units sold this month. If you were part of another transaction that company-dollar was paid by you, you would get credit for that transaction.	Increase over prior Month-C
